

DLHA Family Conferences - Sign Up Today!

Each parent/guardian must attend conferences or send a family representative. Conferences are scheduled in **15-minute** intervals. Please complete a form for each child enrolled at DLH Academy and we will notify you of your appointment time. If you need a longer conference time, a separate appointment will be made.

We have included a different aspect to our parent/teacher conferences. Students will have the opportunity to share what they have learned so far and share the goals that they have set for this year. The student will be in charge for the first couple of minutes to share with you their strengths and areas for improvement. Self-assessment is an important part of learning for students. We want to teach students how to take ownership and responsibility for their learning. Please make sure your child attends the conference this year and don't forget to stop by the book fair!

We look forward to meeting with you soon!
